Apply Funding - Confirmation

You have applied funding with the information shown below. If you have elected to receive notification, Fidelity will notify you when this funding is complete or if there is a problem with the funding. The status of the file may be viewed on the File Management page at any time. You may want to print this page for your records.

NOTE- The payment method shown is the method initially chosen. The actual method may differ (for example, if there were insufficient funds in the selected account).
