PREMIUMS ARE DUE AND PAYABLE ON THE EFFECTIVE DATE OF PREMIUM

Cottingham & Butler Insurance Services, Inc. is compensated through fees and/or commissions for services provided to clients related to managing, reducing, and transferring risk. In addition, Cottingham & Butler Insurance Services, Inc. may enter into agreements with some insurance carriers through which it is compensated for services provided on behalf of the carriers. This compensation is based on several factors such as overall volume, growth, and in some cases profitability of the aggregate premium placed with such carriers. Cottingham & Butler Insurance Services, Inc. subsidiaries may also receive compensation for services such as utilization review, case management and claims handling performed directly for the carriers.
