Subject: Fwd: Heiston Deposits 2025

Good morning,

I have included all direct deposits from this year that have been credited to my bank account and need to be paid to you.

This report is from United bank deposits.

I believe Angie has recorded each payment to the correct account.

Looks like the total is $83,546.38

Also, in a separate email I will send you the expenses that have been paid by me either through the bank and credit card charges since the settle up date last Oct 2024.

Looks like the total is $9571.77.

Net to APS would be $73,974.61

Please look these over and give me a call.

Appreciate you guys.

Regards,
Jeff
