Re: Classic Laminating, Inc.

Dear Creditor:

Please be advised that Classic Laminating, Inc. has retained Kaplan Johnson Abate & Bird LLP.

Classic Laminating, Inc. became unable to pay its debts as they became due and will close its doors on June 14, 2019. The remaining assets are insufficient to satisfy the secured debts in full. As a result, there are no funds remaining with which to pay vendors and any other creditors.

We regret to inform you that Classic Laminating, Inc. will not be remitting payment for debts, if any, owed to your company.

Yours truly,

CSBird

Charity S. Bird
