**Subject Line:** DPC Contractors is now a Day & Zimmermann Company

Dear Vendor,

I'm excited to announce that effective Jan. 23, 2023, Davis-Pickering Co. Contractors and River Town Electric are now part of Day & Zimmermann, a century-old, family owned company that specializes in construction and maintenance, engineering, staffing, and defense solutions for leading corporations and governments around the world.

What does this mean for you?

For now, nothing is changing and very little will change in the future, too. I'll still be your contact, and current work will continue as contracted.

I'm available to answer any questions you might have now or in the future. I'll still be your contact and will reach out as soon as I have information on next steps and potential opportunities to work together in the future.

As always, we greatly appreciate your partnership and look forward to continuing our mutual success.

Sincerely,

Dustin Flinn
